

Zeta LED follows in the footsteps of the ever popular Zetalite fluorescent model and turns a combination of modern styling and careful engineering into a new LED bulkhead luminaire offering excellent value for money. It has an ultra low profile of 63mm and the combination of a stepped and curved profile diffuser makes Zeta LED blend unobtrusively into almost any environment. The 50,000 hour long life LED source ensures reliable operation and minimises onsite maintenance costs.

- Ultra low profile design
- 50,000 hour LED source
- Competitive range
- Simple first fix base with removable gear tray speeds installation
- Snap fit diffuser for ease of maintenance
